

This document contains:

- The Event Covid-19 risk assessment and risk mitigation plan in accordance with the [FEI Policy for Enhanced Competition Safety during the Covid-19 Pandemic](#)
- The Event Approved Schedule

Given the current covid-19 situation, please note that the FEI's approval of a Schedule should not be taken as an absolute guarantee that the Event will definitely go ahead. The decision whether the Event can take place must be made by the OC and NF in close consultation with the applicable domestic government and public health authorities. It is the responsibility of each Participant to check the status of the Event prior to planning his/her travel to the Event.

EQUINE BIOSECURITY

The Spruce Meadows Executive and Organizing Committee, in consultation with veterinary and animal health authorities, have determined the protocol deemed necessary in order to reasonably and effectively manage the possible biosecurity concerns. It is **STRONGLY** recommended that you consult with your veterinarian regarding the most appropriate vaccination protocol for your horse.

All horses brought onto the grounds shall not have been in contact with sick horses within the last 21 days, and must not be showing any signs of illness. All horses on the grounds are required to have their temperatures taken and recorded twice daily through the FEI Horse Health App and/or on the horse's stall on non competition days. Any elevated temperature or other signs of illness must **IMMEDIATELY** be reported to the FEI veterinary delegate, treating veterinarian and tournament office.

Please avoid direct and/or indirect contact between horses, especially nose-to-nose contact and the use of common feed/water buckets, and individuals handling horses from different barn groups. Individuals should not be entering the barn area of a different group. Please wash/sanitize your hands frequently throughout the day, especially after being in a communal area. Hand sanitizing stations will be located throughout the property.

The Spruce Meadows Executive and Organizing Committee, as well as the Veterinary Commission, will closely monitor any developments regarding any potential biosecurity issues and will change the procedures and requirements for horses entering the grounds as needed.

COGGINS, EQUINE INFLUENZA, & EHV

All horses being brought onto the grounds must have a current **NEGATIVE COGGINS TEST** (valid for 6 months from date drawn), be in compliance with the FEI requirements for Equine Influenza Vaccination (FEI Veterinary Regulations Article 1003), and proof of the Equine Herpes Virus vaccination (valid for 6 months from the date administered). Vaccines are not accepted if administered within 7 days of arrival to the grounds. Vaccination and coggins records must be received by the tournament office no later than May 16. Vaccinations and coggins must be valid for the full time your horse is on the grounds. The name on all documents must match the horse's name on entry form and FEI passport. Forms completed with horse's barn name will not be accepted. Spruce Meadows must receive all health documents prior to horse arrival.

COVID-19 PROTOCOLS

All individuals receiving accreditation must be fully vaccinated against COVID-19, with a Canadian approved vaccine. Vaccination records will be required prior to being allowed on the grounds or accreditation being issued.

All individuals are required to self-monitor. Anyone with an elevated temperature, or exhibiting signs of illness may not come on to the grounds without first testing for COVID-19 and obtaining a negative result.

Non-medical masks/face coverings, covering the nose and mouth are strongly encouraged when indoors or when social distancing is not possible.

Individuals are strongly encouraged to wash/sanitize their hands frequently throughout the day. Hand sanitizing stations will be located throughout the property.

Regulations surrounding COVID-19 requirements, including but not limited to mandatory masking, temperature checks, and government mandates, may change with little/no notice.

SMOKING/VAPING/CANNABIS

There is a strict NO SMOKING or VAPING policy in all Spruce Meadows buildings, or within 10 feet of any entrance thereof. Competitors are responsible for the actions of all their staff, owners, trainers, etc. Any person caught smoking in a barn or building, or outside an entrance will be assessed a fine of \$250, applied to the horse's account. Further offences may result in being asked to leave the Tournament grounds and a forfeiture of Tournament fees paid. The use of cannabis (including but not limited to smoking) is STRICTLY PROHIBITED on the Spruce Meadows grounds.

BORDER CROSSING & INTERNATIONAL TRAVEL

Spruce Meadows advises all international competitors, especially those trucking, to check with the relevant border authorities (i.e. Canadian Border Services and the Canadian Food Inspection Agency) prior to arrival at the Canadian border. Customs requires that all horses possess a health certificate issued by the official government veterinarian of the country of origin and have an import permit for entry into Canada. Conditions for entry of horses to Canada are as per Canadian government health regulations. Certain horses may need to see a federal vet at the border in order to cross. Appointments are required well in advance. All horses are required by CFIA to have an import permit issued by the Minister of Agriculture of Canada (www.inspection.gc.ca).

Commercial carriers entering Canada are advised to be aware of the eManifest requirements prior to arriving at the border. Information regarding the E-Manifest can be found on the CBSA website (<http://www.cbsa-asfc.gc.ca/prog/manif/menu-eng.html>). Please contact CBSA directly with any questions pertaining to the eManifest.

International travelers to Canada will be required to be fully vaccinated against COVID-19, either with both doses of a 2 dose regime or a single dose of a 1 dose regime, at least 14 days prior to arrival to the country.

Many travelers to Canada now require an electronic travel authorization (eta) to enter, as well as a negative COVID-19 test taken within 72 hours of the border crossing, and mandatory hotel stays at a government approved location. Please check the Government of Canada website (<http://www.cic.gc.ca/english/visit/>) for details. All travellers to Canada must fill out the ArriveCAN app within 72 hours prior to arrival.

For departure from Canada and in order to reduce the wait, at the Sweetgrass border crossing, please email or call well in advance (not the night before) of your departure to request an appointment. Horses travelling to the USA within 60 days of arriving from Europe may require additional testing and paperwork to cross the US border. Please plan accordingly.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

2. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

2.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

2.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

2.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

2.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. 2.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

2.2.2. Additional Liability Information

<https://inside.fei.org/content/general-regs-statutes>

4. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

5. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.

- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

6. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

7. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

In case of a tie for the 12th place in a competition with 12 to 48 starters, the prize money foreseen for the 12th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 12 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 12) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS:

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

It must be declared by the definite date to whom the prize money is to be paid (owner/lessee or Athlete). If no declaration is made, the prize money will be paid to the owner as listed on the FEI website. Revenue Canada Tax Department requires in the payment of funds to Foreign Competitors and/or Foreign Owned Horses (in whole or in part) who are non residents of Canada, 15% of each payment must be withheld and submitted to the Canadian Tax Department. A T4A-NR form will be mailed from Spruce Meadows by February 28, 2023, in the name of declaree of prize money, so that it can be included in the competitor/owner 2022 tax return. Spruce Meadows is unable to change the name to which the T4A-NR after it is issued. An explanatory letter will be given to competitors upon close-out of the tournament or sent with their T4A-NR form. Canadian residents/Canadian tax payers/companies must submit a business/tax id prior to the start of competition to be exempt from withholding tax.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first twelve (12) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

10. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the Competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated for the original Competition for each group. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the FEI World Cup™ Competition. For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
