

2021
SEPTEMBER SERIES
RULES AND REGULATIONS

SPRUCE MEADOWS

Dear Athlete,

It is hard to believe that it was one year ago that Spruce Meadows cancelled its 2020 FEI tournaments due to COVID-19. At the time no one could have imagined the depth and breadth of the pandemic that we still find ourselves immersed in.

Like so many equestrian events, Spruce Meadows has had to shut its doors to the public. I like to say we have been “dry-docked”... We operated the facility with a minimal team and took the opportunity to undertake an extensive, but necessary, infrastructure project of installing new water, fire protection, and wastewater lines. These types of projects are so invasive, and it was great to get them completed during our 'down' time, and without disruption to our athletes.

With our 2021 season upon us, we have been working with the government officials to develop and submit our 'Return to Sport' proposal for the Spruce Meadows FEI tournaments in September.

After months of preparation and planning, we are pleased to announce that Spruce Meadows has received approval to move forward from Alberta Emergency Management, Alberta Health Services, The Chief Medical Officer of Health for Alberta, and the Provincial Health Minister. The approved plan calls for the 2021 Spruce Meadows season of international sport to be a bubbled (protected) event, with no public attendance. Spruce Meadows has applied for a National Interest Exemption from the Federal Government for approved travel for international athletes.

Spruce Meadows is pleased to offer a three week FEI series of Tournaments in September. All athletes and horses must have current FEI registrations to be eligible to compete.

As we sit here today, athletes must commit to the full three week series. COVID testing, daily screening, masks, social distancing, and other measures will be in place. Mandatory quarantine for all international travelers and a limit to moving only between Spruce Meadows and your hotel/place of residence are also requirements at this time. The grounds will be closed to spectators and accreditation limited to athletes and no more than one groom/person responsible per horse. We are hopeful that as federal restrictions ease, we will be able to do the same.

Things may look a little different than previous years, but we are committed to hosting world-class events for you, the athlete. You will see a number of changes—including options for online starts and account management—but the one thing that continues to remain constant is our dedication to long-standing traditions and high standards. Traditions like our grass competitive rings, our natural obstacles, the World Championship and Olympic jump collections used in our courses, and top prize money.

We continue to focus on making your experience at Spruce Meadows a positive and memorable one. I invite you to join us at Spruce Meadows for what looks to be another fantastic year of good sport and good friendship.

Sincerely,

Linda Southern-Heathcott
President and CEO
Spruce Meadows

GENERAL RULES & REGULATIONS

The Spruce Meadows Tournaments will be conducted according to the current rules of the FEI and the Organizing Committee of Spruce Meadows.

The Spruce Meadows Executive and Organizing Committee has been working tirelessly with provincial and federal officials to be able host these tournaments in a safe manner. The health and safety of everyone involved is of paramount importance. As such, certain rules and regulations may have to change with very little warning. Spruce Meadows, in consultation with local, provincial, and federal officials will change protocols or requirements if deemed necessary to maintain health and safety.

In entering Tournaments at Spruce Meadows, you and your team have agreed to honour the General Information as specified in this document, the approved FEI Schedules, and on the entry form. Your agreement and acceptance of all rules and regulations, including the acknowledgement that these may change, and Spruce Meadows decisions is indicated by competing at our Tournaments. If the competitor is a minor, it shall be understood that the parent/legal guardian will assume all responsibilities/liabilities of the competitor.

Note: If there is a conflict between the FEI Rules & Regulations and the Spruce Meadows General Information provided in this section, the laws of the land take precedence.

The Spruce Meadows 'National', 'Masters', and 'North American' Tournaments are official International Events which have been authorized by the Fédération Equestre Internationale and will be conducted in accordance with the current FEI statutes, rules, and regulations.

Protests shall be handled according to FEI Articles 163-169 of General Regulations. A deposit of 150CHF is required.

The Revenue Canada Tax Department requires that in the payment of funds to Foreign Competitors and/or Foreign Owned Horses (in whole or in part) who are non-residents of Canada, 15% of each payment must be withheld and submitted to the Tax Department. A T4A-NR form will be mailed from Spruce Meadows by February 26, 2022 so that it can be included in your 2021 tax return.

Ownership information listed in the passport (and therefore registered with the appropriate Federation) is considered correct. If there are any issues with, or corrections to, the address/ownership shown in your horse's passport, you must bring these to the attention of the Tournament Secretary for a ruling by the Organizing Committee by Monday August 30 to exempt you from Withholding Tax.

In exceptional circumstances, together with the approval of the Ground Jury, the Organizing Committee reserves the right to modify the Tournament Schedule in order to clarify any matters or matters arising from an omission or due to unforeseen circumstances. Any such changes will be communicated as soon as possible and they will be reported to the FEI.

Competitors are responsible to the Ground Jury on entering the competitive ring.

Please be aware that due to ongoing Calgary Ring Road construction along Stoney Trail, there may be detours or road closures throughout 2021. Spruce Meadows will do its best to keep you informed of any anticipated changes to arrivals or parking.

BIOSECURITY

The Spruce Meadows Executive and Organizing Committee, in consultation with veterinary and animal health authorities, have determined the protocol deemed necessary in order to reasonably and effectively manage the possible biosecurity concerns. It is **STRONGLY** recommended that you consult with your veterinarian regarding the most appropriate vaccination protocol for your horse.

All horses brought onto the grounds shall not have been in contact with sick horses within the last 15 days, and must not be showing any signs of illness. All horses on the grounds are expected to have their temperatures taken and recorded daily. Please have temperature records available upon request. Any elevated temperature or other signs of illness must **IMMEDIATELY** be reported to the FEI veterinary delegate, treating veterinarian and tournament office.

Please avoid direct and/or indirect contact between horses, especially nose-to-nose contact and the use of common feed/water buckets.

The Spruce Meadows Executive and Organizing Committee, as well as the Veterinary Commission, will closely monitor any developments regarding any potential biosecurity issues and will change the procedures and requirements for horses entering the grounds as needed.

COGGINS, EQUINE INFLUENZA, & EHV

All horses being brought onto the grounds must have a current **NEGATIVE COGGINS TEST** (valid for 6 months from date drawn), be in compliance with the FEI requirements for Equine Influenza Vaccination (FEI Veterinary Regulations Article 1003), and proof of the Equine Herpes Virus vaccination (valid for 6 months from the vaccination date but not within 7 days of arrival to the grounds), copies of which must be received by August 15. Vaccinations and coggins must be valid for the full tournament series. The name on all documents must match the horse's name on entry form and FEI passport. Forms completed with horse's barn name will not be accepted. Spruce Meadows must receive all health documents prior to horse arrival.

COVID-19 PROTOCOLS

You will be required to provide proof of a negative COVID-19 test taken within 72 hours of your first arrival to the grounds. Further testing throughout the tournament series will be required as well. There will be a \$150 charge per accredited individual per week for government required weekly testing. The charge will be billed to the horse account associated with the accreditation.

Due to COVID-19 regulations at this time there are mandatory testing days throughout the Tournament Series. Everyone with accreditation is required to be tested on these days. Anyone failing to get tested will not be allowed back on the tournament grounds until negative test results are submitted (at the individual's additional expense); there will be no refund of tournament fees.

Daily screening and temperature checks will be required for entry on to the grounds. If one does not fill out or does not pass the daily screening, they will not be permitted on to the grounds. Anyone with an elevated temperature, or exhibiting any other signs of illness will not be permitted on to the grounds and must obtain a negative COVID test prior to coming back on the grounds.

Non-medical masks/face coverings, covering the nose and mouth must be worn by all individuals on Spruce Meadows property (including staff, officials, riders and grooms) at all times unless mounted on a horse.

Physical distancing protocols will be enforced. Please leave at least 6 feet (2 meters) between yourself and those outside of your cohort. Please do not gather in groups, or enter an area of the barn that is not yours. Due to social distancing requirements, access to certain areas either permanently or at various times, will be limited.

Hand sanitizing stations will be located throughout the property. Anyone entering a warm-up ring or stable must sanitize their hands/gloves before entering.

Accredited individuals will be expected to limit contact with individuals outside of their Spruce Meadows cohort/barn group, as well as individuals outside of Spruce Meadows for the duration of the event and abide by all Spruce Meadows rules and regulations. This includes but is not limited to keeping apart from essential workers outside of Spruce Meadows and not using ride-sharing services (e.g. Uber)

Spruce Meadows regrets that anyone not complying with the rules and regulations as set out in the FEI schedule/Spruce Meadows website will be asked to leave the grounds and all tournament fees paid and prize monies won will be forfeited.

PARKING & ACCOMODATION

There will be designated parking areas on the grounds for competitors' vehicles and horse trailers. The accreditation issued to you at the start of the Tournament will act as your parking pass.

There is designated reserved RV parking. RVs cannot park anywhere other than the designated RV sites. Vehicles and trailers WILL BE TOWED if parked in unauthorized areas. If you are parking a horse trailer at Spruce Meadows, it must be registered at the Tournament Office and parked in the designated location to avoid being towed. Horse trailers are subject to a \$50 parking fee. At this time only Canadians, or those already in Canada at least 14 days prior to the start of the tournament are able to stay in RVs.

Minors who have a valid temporary license may operate a motorized vehicle as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses, or actions resulting from that operation.

Please note there is a 10 km/hr speed limit on the Tournament Grounds. Violations of these rules may result in the individual or group being fined, or asked to leave the Tournament Grounds and a forfeiture of Tournament Fees paid and prize monies won.

SMOKING / VAPING / CANNABIS

There is a strict **No Smoking** or **VAPING** policy in all Spruce Meadows buildings, within 10 feet of any entrance thereof. Competitors are

responsible for the actions of all their staff, owners, trainers, etc. Any person caught smoking in a barn or building, or outside an entrance will be assessed a fine of \$250, applied to the horse's account. Further offences may result in being asked to leave the Tournament grounds and a forfeiture of Tournament fees paid. The use of cannabis (including but not limited to smoking) is **STRICTLY PROHIBITED** on the Spruce Meadows grounds.

PETS

All pets **MUST** be kept on a leash while on the grounds (FEI Article 10913). Owners are required to clean up after their pets. A \$100 fine will be assessed to those failing to clean up after their animals.

Unleashed pets or those which become a nuisance (that run loose, are aggressive or vicious) anywhere on the grounds, will be taken by our security personnel to a safe area. Release may be obtained after payment of a \$200 fine. Pet owners are responsible for the competition fee(s) of the horse(s) whose performance may be disrupted by their animal. An associated horse account will be billed.

Pets that are aggressive, vicious, or are found by security multiple times, will be banned from the grounds.

Competitors must not move from their assigned block of stalls without the permission of the Tournament Office.

Please note there are NO "Dark Days" during the tournament series.

If your horse is in Canada on temporary papers, it is only allowed at the locations listed on the permit. Spruce Meadows is not responsible for fines/loss of entries if your horse is found in violation of this. No refund of fees is possible. **You must inform Spruce Meadows by August 4 if your horse will be on temporary import papers.**

Once on the grounds, horses cannot be taken off the grounds until after the completion of their final competition of the Tournament and only then if the horse's account is closed, unless for medical emergency. Once a horse has left the grounds, it will not be allowed to return and tournament fees and prize monies won will be forfeited. Acceptance in future Tournaments will be determined by the Organizing Committee.

Vehicles will not be allowed into the stabling area after Monday August 30 until at least one hour after the end of the last competition on Sunday September 19. Please plan your departures accordingly. Horses and/or equipment may be walked out of the stabling area after the account(s) are closed and a release form has been obtained.

BORDER CROSSING & INTERNATIONAL TRAVEL

Spruce Meadows advises all international competitors, especially those trucking, to check with the relevant border authorities (i.e. Canadian Border Services and the Canadian Food Inspection Agency) prior to arrival at the Canadian border. Customs requires that all horses possess a health certificate issued by the official government veterinarian of the country of origin and have an import permit for entry into Canada. Conditions for entry of horses to Canada are as per Canadian government health regulations. All horses are required by CFIA to have an import permit issued by the Minister of Agriculture of Canada (www.inspection.gc.ca).

Due to COVID-19 at this time only commercial carriers are permitted to transport horses to Canada. Commercial carriers entering Canada are advised to be aware of the eManifest requirements prior to arriving at the border. Information regarding the E-Manifest can be found on the CBSA website (<http://www.cbsa-asfc.gc.ca/prog/manif/menu-eng.html>). Please contact CBSA directly with any questions pertaining to the eManifest.

All international travelers arriving directly to compete at Spruce Meadows MUST enter either via the Coutts/Sweetgrass border crossing (if arriving by land) or through the Calgary International Airport (if arriving by air). If individuals are crossing at another border crossing, they MUST be in Canada for a minimum of 14 days prior to the start of the tournament series/coming on to the Spruce Meadows grounds.

It is highly likely that international travelers to Canada will be required to be fully vaccinated against COVID-19, either with both doses of a 2 dose regime or a single dose of a 1 dose regime, at least 14 days prior to arrival to the country.

At this time, anyone travelling to Canada who is not deemed as an essential services worker by the federal government is required to complete a mandatory quarantine period. Spruce Meadows is working with the government to determine the international athlete COVID requirements and we will update international travellers by July 14. All travellers to Canada will be required to stay at one of the Spruce Meadows approved hotels and limit their interaction with the general public. Many travelers to Canada now require an electronic travel authorization (eTA) to enter, as well as a negative COVID-19 test taken within 72 hours of the border crossing, and mandatory hotel stays at a government approved location. Please check the Government of Canada website (<http://www.cic.gc.ca/english/visit/>) for details.

For departure from Canada and in order to reduce the wait, at the Sweetgrass border crossing, please email or call well in advance (not the night before) of your departure to request an appointment. Horses travelling to the USA within 60 days of arriving from Europe may require additional testing and paperwork to cross the US border. Please plan accordingly.

ACCREDITATION

Anyone coming on to the Spruce Meadows grounds will require accreditation. Spruce Meadows security accreditation is required for ALL riders and their support staff. Stabling security is an FEI requirement.

Due to COVID restrictions, accreditation is LIMITED to the following:

Rider

- One (1) parent ONLY IF the rider is a minor.
- One (1) groom per horse.
- One (1) trainer/barn manager per barn of 3 or more riders. The trainer must be a member of their national federation and be listed on the entry form.

If you have an FEI accredited vet or therapist, or a farrier travelling with you, please contact the Tournament Office directly to arrange for accreditation.

The accreditation list from each rider is due to Spruce Meadows by August 15. The ability to change accreditation after this time will be limited. Should you find yourself absolutely needing to change accreditation during the course of the tournament series, the original accreditation MUST be returned to the Tournament Office in order for a new pass to be issued. No additional passes will be issued unless the original pass has been returned to the North Meadows. Any new individuals will need to have filled out a contact tracing form and have provided proof of a negative COVID-19 test within 72 hours of their arrival to Spruce Meadows before accreditation will be issued. Please plan accordingly and make sure only those vital to your operations are approved for a pass.

Each individual listed on the accreditation list MUST have a unique working email/phone number (unless the individual is a minor) as this is how the daily COVID screening is conducted.

There is a \$100 non-refundable fee for lost or forgotten accreditation.

PRACTICE AREAS & SCHOOLING HOURS

Schooling is permitted in designated areas at designated times only. Stewards will be in attendance daily. There are no "dark days" during the circuit.

Schooling times, rules and locations are posted at the Tournament Offices. Practice areas are available for horses stabled on the grounds, commencing Monday August 30.

Lunging is only permitted in designated areas.

FEI Schooling Rules will be in effect at all times in all rings.

EXERCISE AREA & HITCHING RING RULES

Spruce Meadows applies the FEI rules for all competitions in all rings at all tournaments throughout the year. This has been agreed upon in cooperation with Equestrian Canada. These rules will be in place daily.

Unauthorized schooling will result in forfeiture of tournament fees paid and prize money for all entries of the owner, trainer, competitor, groom and group involved. Acceptance in future tournaments will be determined by the Organizing Committee.

GRAND PRIX QUALIFICATIONS

The Pre-Qualified Riders List for Grand Prix Competitions can be obtained from the FEI. All athletes, including those automatically qualified, must complete, with their Grand Prix horse, the initial round of at least one FEI competition prior to the Grand Prix.

Please use the hand washing station provided before and after using the wash racks. A \$200 fine will be assessed to those who fail to clean up after themselves. Please only use the designated areas for washing your horses.

MANURE DISPOSAL

Each horse will be assessed a manure disposal fee of \$50 per week.

FARRIER

A farrier will be on call for each of the Tournament days for emergencies. Please obtain the phone number of the farrier on call from the North Meadows Tournament Office.

Any person caught hot shoeing in a barn, other building, or outside an entrance will be assessed a fine of \$500, applied to a horse account, and may be asked to leave the Tournament Grounds, and forfeit tournament fees paid as well as any prize money won. Acceptance in future Tournaments will be determined by the Organizing Committee.

'Salute' markers, such as clocks, may be moved at any time during the competition and riders should stay alert to the Gateman's instructions. Saluting is mandatory at the start of your round. (FEI Article 256.1.2)

The Competitions Manager may determine to pre-load or not pre-load at any time during the competition—this same procedure is used when competitions are televised.

ACCIDENTS AND RETURN TO PLAY

In the event a concussion is reasonably suspected, a competitor must receive medical clearance from the medical personnel on duty before being allowed to return to competition. It is up to the competitor to receive said clearance. Refusal to be evaluated by the medical personnel on-site will lead to disqualification from the Tournament. Fees will not be refunded in such cases. Please see Equestrian Canada Article A101 for further details. In the event of a fall by a horse or rider anywhere on Spruce Meadows property, they must be cleared by medical personnel/veterinarian prior to competition. (FEI Article 224)

EXCUSING OR DISQUALIFYING

Any act of discourtesy or disobedience to the judges, officials, volunteers, or staff, as determined by the Organizing Committee, may result in disqualification. Such unacceptable behaviour may result in forfeiture of tournament fees paid and prize money, and acceptance in future tournaments may be determined by the organizing committee.

The Organizing Committee reserves the right to remove any individual or all of a related group from the tournament without being liable for compensation.

Inhumane treatment of a horse on the grounds is forbidden and, if a violation occurs, the Organizing Committee along with the Ground Jury has the right to disqualify the competitor from the tournament. Such unacceptable treatment will result in forfeiture of tournament fees paid and any prize money won, and acceptance in future tournaments will be determined by the Organizing Committee.

Horse numbers must be worn by horses at all times when outside of their assigned stall. The use of a wrong number or having no number may result in disqualification from the competition or tournament, and a \$100 fine.

In the case of a horse(s) being disqualified, the winner of the next succeeding prize shall take the prize that had been awarded to the disqualified horse(s) and the other prizes will be adjusted accordingly.

Winners of each competition to a maximum of twelve must be present for the competition awards. COVID protocols will be in place. Such risks may result from the competitor's actions or omissions, the actions or omissions of others, environmental conditions, the condition of the premises, or by the inherent hazards of the events the competitor is participating in. The competitor agrees to immediately discontinue any activity if the competitor believes at any time that the conditions are unsafe. The competitor fully understands and assumes these risks and dangers and accepts sole responsibility for any personal or property injury, damage, harm, loss, pain or suffering or even death. The owner and competitor are required to secure third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep that policy updated.

RECOGNITION OF MEDIA, INTELLECTUAL PROPERTY, AND SPONSORSHIP RIGHTS

All riders, owners and related associates grant to Spruce Meadows the irrevocable, perpetual and unrestricted rights to take, record, modify, publish, license, sell, assign, and use photographic images and audio and audio-visual recordings of themselves, their horse(s), their competitive performance(s) and practice(s), while on or near Spruce Meadows property; this includes, without limitation, uses which are for commercial, non-commercial, training, public-interest or other purposes, and images or recordings whether alone or in compilation with other materials, edited or enhanced, cropped or otherwise altered, and whether by spruce meadows or its agents, representatives, associates, licensees, or assignees.

All riders, owners and related associates acknowledge and agree not to contest that copyright and every such image and recording is the property of Spruce Meadows (or those claiming under Spruce Meadows, as the case may be). All riders, owners and related associates consent to the behaviours associated with the exercise of the rights detailed above and acknowledge that they are not alone a violation of any right of privacy or protection of personal information.

Riders, owners and all related associates may wish to utilize a variety of audio-video recording equipment on their horse(s), equipment or tack, helmets, or persons in order to take video or still recordings of their competitive rides. There is concern that such equipment may alter the performance of safety equipment or pose a safety problem for rider or horse, or may interfere with the operation of timing and communications equipment and systems associated with running events.

In addition, the equipment may not be suitable for accepted federation dress or equipment codes or rider or horse appearance or welfare when in competition. Further, its use may be in breach of existing licensing, commercial and or sponsorship arrangements. Spruce Meadows reserves the right to require any rider to remove such equipment prior to permitting that rider to enter a competition ring or practice ring, and by seeking to enter a tournament or practice ring, you agree to this restriction. Spruce Meadows recognizes that personal recording of videos takes place on Spruce Meadows property during and around events, and generally speaking, allows such recordings to take place for personal, non commercial use. It is also recognized that individuals, for personal and non-commercial purposes, may wish to post or share their videos on the internet and in other social media, which is permissible under certain terms and conditions.

For clarity, and for the avoidance of doubt, the rider, owner or appointed representative agrees not to transmit, or facilitate transmission, of any account, description, picture, or reproduction of any Spruce Meadows event in violation of licensing, sponsorship, federation or code of conduct rules and regulations.

ORGANIZING COMMITTEE DECISIONS

IT IS IMPORTANT TO UNDERSTAND THAT INTERPRETATIONS OF EXISTING RULES AND REGULATIONS AND THE INVOKING OF ADDITIONAL RULES AND REGULATIONS TO COVER UNFORESEEN CIRCUMSTANCES ARE THE SOLE RESPONSIBILITY AND AUTHORITY OF THE ORGANIZING COMMITTEE, IN CONJUNCTION WITH, AND WITH THE APPROVAL OF, THE GROUND JURY AND THAT ALL OWNERS, TRAINERS, CHEFS, COMPETITORS AND GROOMS AGREE TO THE ACCEPTANCE OF THESE INTERPRETATIONS AND ADDITIONAL RULINGS BY VIRTUE OF YOUR PARTICIPATION.

It is the objective of the Organizing Committee to run the Spruce Meadows Tournaments at the highest possible level of sportsmanship. Judges, Course Designers, and Technical Delegates have been selected by the FEI and the Organizing Committee based on their knowledge and experience. Their decisions with respect to the competitions are their own responsibility.

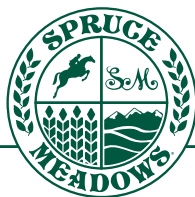

The Organizing Committee reserves the right to hold a qualifying round for any competition where the number of horses entered is excessive.

The Steward(s) and those designated as Assistant Stewards (complete listing available on request from the Tournament Secretary) shall have full power to act for and on behalf of the Organizing Committee during the Tournament. The Organizing Committee is not bound by opinions of its Staff, such as Veterinary Doctors, Tournament Office and Field Staff, in the interpretation of these rules. The Stewards must consult with the Ground Jury in case of infractions before submitting to the Organizing Committee.

Spruce Meadows is dedicated to the historical traditions of show jumping with turf and natural obstacles. Please be advised that these obstacles can be used at the discretion of the course designers in any of the competitions.
