DEAR ATHLETE,

Welcome to the 2024 Spruce Meadows FEI and National Tournaments.

We are so pleased to be a part of the show jumping community for 49 years. What used to be a feedlot in the middle of nowhere, with hard work and dedication has now become this wonderful show jumping venue we all love and enjoy so much. We are truly grateful for the unwavering support of our fans, volunteers, corporate partners and great athletes like you that we have been so fortunate to have over the years. Thank you for choosing Spruce Meadows. We will continue to work hard to offer you and your horses the opportunity to compete at the highest level and help contribute to your ability to excel at our sport.

As always, the 'National' Tournament will pay tribute to our First Responders. We are also pleased to continue hosting a concert series. The 'North American' special feature will pay tribute to the Canadian Armed Forces with a military style tattoo, and the 'Masters' will welcome back our C.S.I.O. BMO Nations' Cup, \$3 million CPKC International and the Blacksmith World Championships.

Over time Spruce Meadows has evolved, and again in 2024, you will see a number of changes, but the one thing that always remains constant is our commitment to long-standing traditions and high standards. Traditions like our grass competitive rings, our natural obstacles, the World Championship and Olympic jump collections for your rings, our presentations to the winning athletes, top prize money and, of course, our victory gallop. The Organizing Committee is also pleased to welcome back Equestrian Canada National competitions, with divisions ranging from 1.00m to 1.45m. An exciting new change this year is that the SunLife Financial Derby will be open to both FEI AND national horses this year. We invite horse/rider combinations jumping 1.40m and above to try their hand at this exciting competition.

In preparation for our 50th Anniversary in 2025, several significant projects have been initiated to enhance the overall experience for all of our guests.

ALL CANADA RING

Last year, the All Canada Ring received a transformative facelift and now boasts a level jumping surface. The inaugural competition on the newly sodded ground took place in September during the 2023 'Masters' tournament, marking a milestone in the ongoing efforts to elevate the facilities for participants and spectators alike.

INTERNATIONAL WARM-UP RING

The Warm-Up Ring at the International Ring has undergone a thorough transformation, enhancing both functionality and aesthetics. Notable improvements include the installation of a robust retaining wall for added safety and beauty. The outdoor and covered warm-up areas also now feature upgraded all-weather footing, providing an optimal surface for horse and rider.

LED RING BOARDS

Adding to the overall enhancement, new LED ring boards are now fitted to the International and All Canada rings.

NORTH AMERICAN RING

Following in the footsteps of the All Canada Ring, the North American Ring is also being renovated. Riders and horses can look forward to a newly laser-levelled surface with brand new sod in mid-summer.

The newly added Stable Lounge now provides a convenient haven for riders, owners, grooms, and trainers. This welcoming space not only offers a relaxing atmosphere for coffee breaks but also featured indoor and outdoor seating, snacks, and even table tennis. We also continue to work with our caterer to offer more grab-and-go options for the grooms and a focus on healthy eating at our catering outlets.

2023 marked the start of a significant transformation around the International Ring. Both the West and East grandstands underwent notable seating upgrades, giving our devoted fans an enhanced experience for those keen on watching the thrill of competition and cheering you on!

The frame of the new restaurant and coffee shop has been erected at the north end of the International Ring. Opening in 2025, it will be open year round, and offer a wonderful seating experience during competition.

Ready for this season, we have a variety of VIP options for our riders and owners to enjoy while viewing the International events. Be it in the International Ring VIP seating or in a Skybox suite, the tickets can be purchased in advance. [Details can be found here.](#)

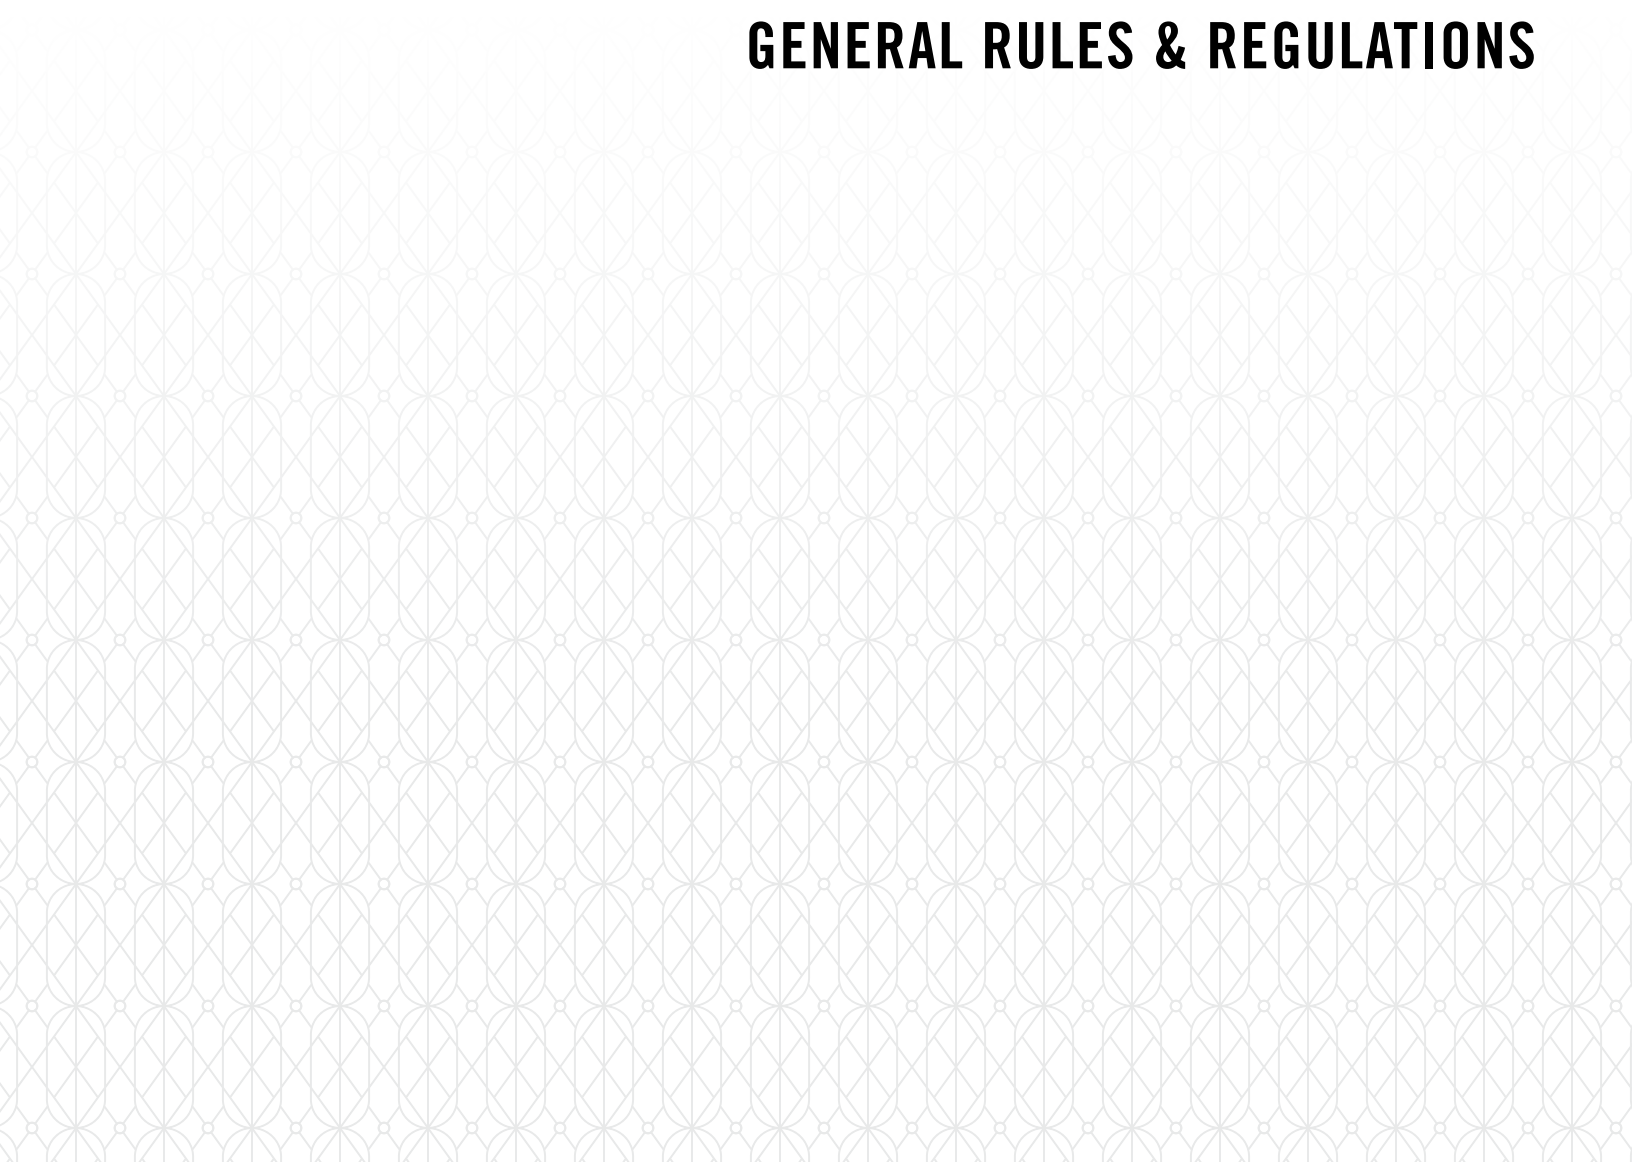

We continue to focus on making your experience at Spruce Meadows a positive and a memorable one.

I invite you to join us at Spruce Meadows for what looks to be another fantastic year of good sport and good friendship.

Sincerely,

Linda Southern-Heathcott

GENERAL RULES & REGULATIONS

The Spruce Meadows Tournaments will be conducted according to the current rules of Equestrian Canada, the FEI and the Organizing Committee of Spruce Meadows.

In entering Tournaments at Spruce Meadows, you and your team have agreed to honour the General Information as specified in this Schedule and on the entry form. Your agreement and acceptance of all rules, regulations and Spruce Meadows decisions is indicated by competing at our Tournament. If the competitor is a minor, it shall be understood that the parent/legal guardian will assume all responsibilities/liabilities of the competitor.

Note: If there is a conflict between the FEI Rules & Regulations and the Spruce Meadows General Information provided in this section, the laws of the land and the FEI Rules & Regulations take precedence.

The Spruce Meadows Summer Series consists of two tours. The North Star 1 comprises the 'Continental' and 'National', and the North Star 2 encompasses the 'Pan American' and 'North American'. Horses must enter either the North Star 1, North Star 2, or full circuit. Entries for one week or non-consecutive weeks will not be accepted at this time.

BIOSECURITY

The Spruce Meadows Executive and Organizing Committee, in consultation with veterinary and animal health authorities, have determined the protocol deemed necessary in order to reasonably and effectively manage the possible biosecurity concerns. It is STRONGLY recommended that you consult with your veterinarian regarding the most appropriate vaccination protocol for your horse.

All horses being brought onto the grounds shall not have been in contact with sick horses within the last 21 days, and must not be showing any signs of illness. All horses on the grounds are expected to have their temperatures taken and recorded regularly and twice daily for the 3 days preceding arrival. Please have temperature records available upon request. Any elevated temperature or other signs of illness must IMMEDIATELY be reported to the FEI veterinary delegate or treating veterinarian and the tournament office.

Please avoid direct and/or indirect contact between horses, especially nose-to-nose contact and the use of common feed/

water buckets and individuals handling horses from different barn groups. Individuals should not be entering the barn area of a different group. Please wash/sanitize your hands frequently throughout the day, especially after being in a communal area. Hand sanitizing stations are located throughout the property.

All horses must have their temperatures taken and recorded twice daily while on the grounds. Any horse stabled in FEI must have their temperatures recorded via the FEI Horse Health App. This includes during the off week.

All individuals are asked to self-monitor. Anyone with an elevated temperature or exhibiting signs of illness may not come on to the grounds without first testing for COVID-19 and obtaining a negative result.

Regulations surrounding COVID-19 requirements or import regulations may change with little/no notice.

In the event of a biosecurity event, horses may be required to remain on property until official veterinarians/government officials deem it safe to clear them. The OC will not be liable for any additional fees/expenses in this situation.

The Spruce Meadows Executive and Organizing Committee, as well as the Veterinary Commission and government regulators, will closely monitor any developments regarding any potential biosecurity issues and will change the procedures and requirements for horses/humans entering the grounds as needed.

COGGINS, EQUINE INFLUENZA, & EHV

Competition horses must have a current negative coggins test (valid for 6 months from date drawn), equine influenza, and EHV vaccination (both valid for 6 months from the vaccination date but not within 7 days of arrival to the grounds), copies of which must be received by May 23. If an FEI horse does not have an EHV vaccination, their movement around the grounds will be severely restricted. The name on all documents must match the horse's name on entry form and passport/horse recording. Forms completed with horse's barn name will not be accepted. **Spruce Meadows must receive all health documents well in advance of horse arrival.**

TOURNAMENT OFFICE

The Tournament Office is open from 10:00 a.m. to 4:00 p.m. on non-tournament days, and from 45 minutes before the start of competition until 5pm on competition days. Staff is generally not available after hours without prior arrangement.

For your convenience the Tournament Office is now able to operate virtually in many regards with the addition of the Rider's Portal. Riders are able to start, order feed, view their account(s) and close out via the Portal. An access code will be sent to you when we have received everything we require for your entry (including but not limited to payment, signatures and vaccination information). Please email the Tournament Office if you would like someone else (e.g. trainer, barn manager) to have access to your portal. Staff are still happy to assist you in person during office hours.

PARKING

There will be designated parking areas on the grounds for competitors' vehicles and horse trailers. The accreditation issued

This is generally a quick process, however please DO NOT leave this until the last minute as Spruce Meadows is unable to assist with late applications.

For departure from Canada and in order to reduce the wait, at the Sweetgrass Border Crossing, Dr. James Becker has provided his phone number **406-335-2142** and his email: **JamesL.Becker@aphis.usda.gov**.

Please email or call **well in advance** (not the night before) of your departure to request an appointment.

Horses travelling to the USA within 60 days of arriving from Europe may require additional testing and paperwork to cross the US border. Please plan accordingly.

There is no permanent or returning import quarantine available at Spruce Meadows. Limited temporary import quarantine may be available. You must inform Spruce Meadows by April 26 (May 3 if you are using OHS) if you are considering temporary import. Customs requires that all horses possess a health certificate issued by the official government veterinarian of the country of origin and have an import permit for entry into Canada. Conditions for entry of horses to Canada are as per Canadian Government Health Regulations.

All horses are required by Canadian Food Inspection Agency to have an import permit issued by the Minister of Agriculture of Canada (www.inspection.gc.ca).

Please call the Canadian Food Inspection Agency at (587) 230-2468 or Dr. Kelley at 403.344.3808 for more information.

EC SPORT LICENSING 2024

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2024: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a designated coach can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”
