The Spruce Meadows Tournaments will be conducted according to the current rules of the FEI and the Organizing Committee of Spruce Meadows.

The Spruce Meadows Executive and Organizing Committee has been working tirelessly with provincial and federal officials to be able to host these tournaments in a safe manner. The health and safety of everyone involved is of paramount importance. As such, certain rules and regulations may have to change with very little warning. The Spruce Meadows Organizing Committee, in consultation with local, provincial, and federal officials will change protocols or requirements if deemed necessary to maintain the health and safety of both horses and humans. Spruce Meadows regrets that anyone not complying with the rules and regulations as set out in the FEI schedule/Spruce Meadows website will be asked to leave the grounds and all tournament fees paid and prize monies won will be forfeited.

In entering Tournaments at Spruce Meadows, you and your team have agreed to honour the rules and regulations as specified in this document, the approved FEI schedules, and on the entry form. Your agreement and acceptance of all rules and regulations, including the acknowledgement that these may change, and Spruce Meadows' decisions is indicated by competing at our Tournaments. If the competitor is a minor, it shall be understood that the parent/legal guardian will assume all responsibilities/liabilities of the competitor.

Note: If there is a conflict between the FEI Rules & Regulations and the Spruce Meadows General Information provided in this section, the laws of the land take precedence.

The Spruce Meadows Summer Series of Tournaments are official International Events which have been authorized by the Fédération Equestre Internationale and will be conducted in accordance with the current FEI statutes, rules, and regulations.

Protests shall be handled according to FEI Articles 163-166 of General Regulations. A deposit of 150CHF is required.

The Revenue Canada Tax Department requires that in the payment of funds to non-resident competitors and/or horses owned (in whole or in part) by non-residents of Canada, 15% of each payment must be withheld and submitted to the Tax Department. A T4A-NR form will be mailed from Spruce Meadows by February 28, 2024 so that it can be included in your 2023 tax return.

Ownership information listed in the passport (and therefore registered with the appropriate Federation) is considered correct. If there are any issues with, or corrections to, the address/ownership shown in your horse's passport, you must bring these to the attention of the Tournament Secretary for a ruling by the Organizing Committee by Monday June 6 to exempt you from Withholding Tax.

In exceptional circumstances, together with the approval of the Ground Jury, the Organizing Committee reserves the right to modify the Tournament Schedule in order to clarify any matters or matters arising from an omission or due to unforeseen circumstances. Any such changes will be communicated as soon as possible and they will be reported to the FEI.

Competitors are responsible to the Ground Jury on entering the competitive ring.

EQUINE BIOSECURITY

The Spruce Meadows Executive and Organizing Committee, in consultation with veterinary and animal health authorities, have determined the protocol deemed necessary in order to reasonably and effectively manage the possible biosecurity concerns. It is **STRONGLY** recommended that you consult with your veterinarian regarding the most appropriate vaccination protocol for your horse.

All horses brought onto the grounds shall not have been in contact with sick horses within the last 21 days, and must not be showing any signs of illness. All horses on the grounds are required to have their temperatures taken and recorded twice daily through the FEI Horse Health App and/or on the horse's stall on non competition days. Any elevated temperature or other signs of illness must **IMMEDIATELY** be reported to the FEI veterinary delegate, treating veterinarian and tournament office.

Please avoid direct and/or indirect contact between horses, especially nose-to-nose contact and the use of common feed/water buckets, and individuals handling horses from different barn groups. Individuals should not be entering the barn area of a different group. Please wash/sanitize your hands frequently throughout the day, especially after being in a communal area. Hand sanitizing stations will be located throughout the property.

All individuals are required to self-monitor. Anyone with an elevated temperature, or exhibiting signs of illness may not come on to the grounds without first testing for COVID-19 and obtaining a negative result.

Non-medical masks/face coverings, covering the nose and mouth are encouraged when indoors or when social distancing is not possible.

Individuals are strongly encouraged to wash/sanitize their hands frequently throughout the day. Hand sanitizing stations will be located throughout the property.

Regulations surrounding COVID-19 requirements, including but not limited to vaccination requirements, masking, temperature checks, and government mandates, may change with little/no notice.

The Spruce Meadows Executive and Organizing Committee, as well as the Veterinary Commission and government regulators will closely monitor any developments regarding any potential biosecurity issues and will change the procedures and requirements for horses/humans entering the grounds as needed.

COGGINS, EQUINE INFLUENZA, & EHV

All horses being brought onto the grounds must have a current **NEGATIVE COGGINS TEST** (valid for 6 months from date drawn), be in compliance with the FEI requirements for Equine Influenza Vaccination (FEI Veterinary Regulations Article 1003), and proof of the Equine Herpes Virus vaccination (valid for 6 months from the date administered). Vaccines are not accepted if administered within 7 days of arrival to the grounds. Vaccination and coggins records must be received by the tournament office no later than May 16. Vaccinations and coggins must be valid for the full time your horse is on the grounds. The name on all documents must match the horse's name on entry form and FEI passport. Forms completed with horse's barn name will not be accepted. Spruce Meadows must receive all health documents prior to horse arrival.

There will be designated parking areas on the grounds for competitors' vehicles and horse trailers. The accreditation issued to you at the start of the Tournament will act as your parking pass.

RVs cannot park anywhere other than the designated RV sites. Vehicles and trailers WILL BE TOWED if parked in unauthorized areas. Quads are not permitted. Individuals who do not have a valid driver's license which allows them to operate a motorized vehicle in the province/state in which they reside are not permitted to operate a motorized vehicle of any kind on Spruce Meadows' property.

Minors who have a valid temporary license may operate a motorized vehicle as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses, or actions resulting from that operation.

Please note there is a 10 km/hr speed limit on the Tournament Grounds. Violations of these rules may result in the individual or group being fined, or asked to leave the Tournament Grounds and a forfeiture of Tournament Fees paid and prize monies won. Horses have the right of way at all times.

SMOKING/VAPING/CANNABIS

There is a strict NO SMOKING or VAPING policy in all Spruce Meadows buildings, or within 10 feet of any entrance thereof. Competitors are responsible for the actions of all their staff, owners, trainers, etc. Any person caught smoking in a barn or building, or outside an entrance will be assessed a fine of \$250, applied to the horse's account. Further offences may result in being asked to leave the Tournament grounds and a forfeiture of Tournament fees paid. Unleashed pets or those which become a nuisance (that run loose, are aggressive/vicious, etc) anywhere on the grounds, will be taken by our security

personnel to a safe area. Release may be obtained after payment of a \$250 fine. Pet owners are responsible for the competition fee(s) of the horse(s) whose performance may be disrupted by their animal. An associated horse account will be billed.

Pets that are aggressive, vicious, or are found to be a nuisance multiple times will be banned from the grounds.

ARRIVALS, DEPARTURES & OFFICE HOURS

For North Star Tour 1 ('Continental' and 'National'), all horses are to arrive on the grounds between 9am Monday June 5 and 5pm Tuesday, June 6.

For North Star Tour 2 ('Pan American' and 'North American'), all horses are to arrive on the grounds between 1pm Monday June 26 and 5pm Tuesday, June 27.

PLEASE NOTE THE GATES TO SPRUCE MEADOWS ARE CLOSED. HORSE ARRIVALS ARE PERMITTED BETWEEN 9:00 am–5:00 pm. After hours arrivals are subject to a \$500 fee per horse, which will be charged to the horse's account. You MUST inform us of your arrival time at least 72 hours in advance. Please have your horse's FEI passport ready for inspection at the time of its arrival. Passport may NOT arrive after your horse.

Any exceptions to this MUST be cleared well in advance by the Spruce Meadows Organizing Committee.

Horses stabled in the FEI stabling area are not permitted to leave the grounds between competition weeks unless for a medical emergency or previous arrangements have been made well in advance with the Tournament Office. Due to vet availability and the FEI check in process, returning horses may not be able to re-access the FEI stabling area. Any horse departure must be cleared by the FEI Veterinary Delegate, Spruce Meadows FEI Treating Veterinarian, or the Tournament Office.

Horses entered for the circuit may leave for the off week, however they must depart by Monday June 19, and are not able to return until stabling reopens on Monday June 26. If there is a balance owing to Spruce Meadows, the horse's account must be cleared in full prior to the horse's departure.

Those not purchasing stalls for the circuit are NOT guaranteed to keep their stalls. Set-ups must be fully dismantled on weeks stabling has not been purchased. If the group you wish to be stabled with does not request the same stabling or is not entered for the same set of weeks, it will likely not be possible to place you together. If grooming/tack stalls are purchased for the circuit but the associated horse stall is not, it may not be possible to keep them together. Please plan accordingly. Horses arriving on temporary or returning health papers may not be able to stable with the rest of their group.

Horses are not permitted to enter the FEI Stabling area until they have been seen and cleared by the FEI Veterinary Delegate or FEI Treating Veterinarian. If you arrive when no veterinarian is available, your horses will need to be unloaded into an isolation area until the veterinarian can clear them. Extra stabling, bedding, and sanitation charges will apply.

The Tournament Office hours are from 10:00 am to 4:00 pm on non-tournament days and half an hour before the start and after the end of competition on tournament days. Staff are not available after hours without prior notification.

Due to space limitations, horses being brought to Spruce Meadows which are not competing will not be accommodated on the grounds. Other stabling in the area is usually available.

Under no circumstances may a horse be placed in a stall to which it has not been assigned. VIOLATION OF THIS RULE WILL RESULT IN A \$250 FINE TO THE HORSE'S ACCOUNT. ANY CHANGES TO HORSE PLACEMENT WITHIN YOUR ASSIGNED AREA MUST BE APPROVED BY THE TOURNAMENT OFFICE. Competitors must not move from their assigned block of stalls without the permission of the Tournament Office.

Please note there are 4 "Dark Days" during the tournament series:

Monday June 12
Monday June 19

Saturday June 24
Monday July 3

The Tournament Office will be closed, and feed/bedding will not be able to be ordered, picked up, or delivered. Please plan accordingly.

If your horse is in Canada on temporary papers, it is only allowed at the locations listed on the permit. Spruce Meadows is not responsible for fines/loss of entries if your horse is found in violation of this. No refund of fees is possible. You must inform Spruce Meadows by April 26 if you would like your horse to attend on temporary papers. It is not guaranteed. Please have an alternative import plan organized. Failure to do this may result in horses not able to be accommodated on the competition grounds.

Once on the grounds, horses cannot be taken off the grounds until after the completion of their final competition of the Tournament and only then if the horse's account is closed, unless for medical emergency. The Tournament Office must be informed immediately if the horse is leaving the grounds so that it can be checked out of the FEI Horse Health App. Once a horse has left the grounds, it will not be allowed to return until stabling re-opens for the 2nd tour. A horse taken off the grounds during the 2nd half of circuit is not permitted to return to the grounds. Horses removed for medical reasons may come back on to the grounds with the approval of the Organizing Committee and in consultation with veterinary officials.

Personal vehicles/trailers/horse transport companies will only be allowed in the barn area on specified days and on a limited basis. Please contact the Tournament Office if your horse transport company would like access. There will be no vehicle access to the barn area on tournament days, and limited vehicle access from the evening of June 6 until one hour after the end of competition on July 9.

BORDER CROSSING & INTERNATIONAL TRAVEL

Spruce Meadows advises all international competitors, especially those trucking, to check with the relevant border authorities (i.e. Canadian Border Services and the Canadian Food Inspection Agency) prior to arrival at the Canadian border. Customs requires that all horses possess a health certificate issued by the official government veterinarian of the country of origin and may be required to have an import permit for entry into Canada. Conditions for entry of horses to Canada are as per the Canadian government. Certain horses may need to see a federal vet at the border in order to cross. Appointments are required well in advance. All horses are required by CFIA to have an import permit issued by the Minister of Agriculture of Canada (www.inspection.gc.ca). Please apply for your permit at least 6 weeks prior to your intended crossing date. Please note that Spruce Meadows cannot help with late applications.

Commercial carriers entering Canada are advised to be aware of the eManifest requirements prior to arriving at the border. Information regarding the E-Manifest can be found on the CBSA website (<http://www.cbsa-asfc.gc.ca/prog/manif/menu-eng.html>). Please contact CBSA directly with any questions pertaining to the eManifest.

Please be aware of the current entry requirements for international travellers to Canada, including but not limited to visa and COVID-19 vaccination requirements. These requirements may change with little to no notice. Many travelers to Canada now require an electronic travel authorization (eTA) to enter Canada. Please check the Government of Canada website (<http://www.cic.gc.ca/english/visit/>) for details. All travellers to Canada must fill out the ArriveCAN app within 72 hours prior to arrival.

For departure from Canada and in order to reduce the wait, at the Sweetgrass border crossing, please email or call well in advance (not the night before) of your departure to request an appointment if required.

Horses at Spruce Meadows **MUST RETURN DIRECTLY TO THEIR COUNTRY OF ORIGIN** (e.g. if the horse has flown directly from Mexico /EU, it must return on a direct flight to Mexico/EU). Horses who trucked across the border and wish to continue on to a destination that requires export blood must make arrangements to do so outside of Spruce Meadows.

NO EXPORT BLOOD IS PERMITTED TO BE DRAWN AT SPRUCE MEADOWS. Should this rule not be followed, the individual/group who have not abided will be financial responsible for any repercussions to any/all parties affected by that decision.

If your horse(s) are arriving for permanent or returning import, arrangements must be made for accommodation outside of Spruce Meadows. The horses must be fully cleared from quarantine before arriving to Spruce Meadows. Spruce Meadows is not responsible and will not refund fees should

a delay in quarantine release impact your horse's ability to attend the tournament.

HORSES ON TEMPORARY PAPERS: Spruce Meadows is currently able to accept a LIMITED NUMBER of horses on temporary import papers. Requests for temporary import stabling must be made by APRIL 27. It is not guaranteed. Horses coming from Europe must arrive on the June 5 flight unless previous arrangements have been made and agreed upon well in advance with Spruce Meadows. Notifications made after this date may not be able to be accommodated.

Acknowledgement and assumption of risk: The competitor understands that all equestrian sports involve inherent risks and dangers including risk of serious personal injury, damage, harm, loss, pain and suffering, permanent disability or even death. Such risks may result from the competitor's actions or omissions, the actions or omissions of others, environmental conditions, the condition of the premises, or by the inherent hazards of the events the competitor is participating in. The competitor agrees to immediately discontinue any activity if the competitor believes at any time that the conditions are unsafe. The competitor fully understands and assumes these risks and dangers and accepts sole responsibility for any personal or property injury, damage, harm, loss, pain or suffering or even death. The competitor further affirms that (s)he is physically and mentally capable of participating in the events chosen.

Waiver of liability and indemnification: Spruce Meadows assumes no responsibility whatsoever for any personal property, including animals, brought or placed on the premises and the owner and competitor agree that Spruce Meadows is expressly released and discharged from any and all liability from any loss or damage relating to such property.

The owner and competitor are required to secure third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep that policy updated.

RECOGNITION OF MEDIA, INTELLECTUAL PROPERTY, AND SPONSORSHIP RIGHTS

All riders, owners and related associates grant to Spruce Meadows the irrevocable, perpetual and unrestricted rights to take, record, modify, publish, license, sell, assign, and use photographic images and audio and audio-visual recordings of themselves, their horse(s), their competitive performance(s) and practice(s), while on or near Spruce Meadows property; this includes, without limitation, uses which are for commercial, non-commercial, training, public-interest, or other purposes, and images or recordings whether alone or in compilation with other materials, edited or enhanced, cropped or otherwise altered, and whether by Spruce Meadows or its agents, representatives, associates, licensees, or assignees.

All riders, owners and related associates acknowledge and agree not to contest that copyright and every such image and recording is the property of Spruce Meadows (or those claiming under Spruce Meadows, as the case may be). All riders, owners and related associates consent to the behaviours associated with the exercise of the rights detailed above and acknowledge that they are not alone a violation of any right of privacy or protection of personal information.

Riders, owners and all related associates may wish to utilize a variety of audio-video recording equipment on their horse(s), equipment or tack, helmets, or persons in order to take video or still recordings of their competitive rides. There is concern that such equipment may alter the performance of safety equipment or pose a safety problem for rider or horse, or may interfere with the operation of timing and communications equipment and systems associated with running events.

In addition, the equipment may not be suitable for accepted federation dress or equipment codes or rider or horse appearance or welfare when in competition. Further, its use may be in breach of existing licensing, commercial and or sponsorship arrangements. Spruce Meadows reserves the right to require any rider to remove such equipment prior to permitting that rider to enter a competition ring or practice ring, and by seeking to enter a tournament or practice ring, you agree to this restriction. Spruce Meadows recognizes that personal recording of videos takes place on Spruce Meadows property during and around events, and generally speaking, allows such recordings to take place for personal, non commercial use. It is also recognized that individuals, for personal and non-commercial purposes, may wish to post or share their videos on the internet and in other social media, which is permissible under certain terms and conditions.

For clarity, and for the avoidance of doubt, the rider, owner or appointed representative agrees not to transmit, or facilitate transmission, of any account, description, picture, or reproduction of any Spruce Meadows event in violation of licensing, sponsorship, federation or code of conduct rules and regulations.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

Selected Nations Cup, Grand Prix and FEI Jumping World Cup™ Competitions must meet the following specifications:

The Composition of the course includes:

- Approximately 50% of the efforts must be vertical obstacles and 50% must be spread obstacles (e.g. oxer, triple bar, Swedish oxer, narrow oxer etc.). Nevertheless, no more than 55% of the efforts may be vertical and no more than 60% of the efforts may be spread obstacles, including the water jump if there is one (NB: a water jump is compulsory in Nations Cup Competitions, refer to JRs Art. 264.3);
- Depth of cups for the top pole: minimum 50% of cups must have a depth of 18 mm, for special obstacle material cups may be shallower (refer to JRs Art. 208.6); depth of cups maximum 20 mm;
- A minimum course length of 400 meters with a minimum speed of 375m/min.

At least three of the following five obstacles must be included in the course:

- A set of planks on flat cups or a vertical of poles with a plank on flat cups as the top element;
- One triple bar;
- One wall;
- One narrow vertical or spread obstacle with frontal width between 2.50 to 3.00 m;
- One gate.

At least three of the following recommended criteria must be included in the course:

- Bend or straight line of up to six strides between two single obstacles;
- One line between two obstacles should be a forward line up to five strides;
- One bend or straight line up to seven strides with minimum three obstacles;
- Double combination in a bend or straight line with an obstacle before or after at maximum seven strides;
- A related distance bend or straight line of up to eight strides leading to the triple combination or up to seven strides following the triple combination;
- One of the combinations must have a related distance (maximum seven strides) with an obstacle (before or after the combination) in a straight line.

Dimensions of the obstacles:

	Comp. at 1.55 m	Comp. at 1.60 m
The minimum height of obstacles is:	1.45 m	1.50 m
A minimum number of verticals with a height of at least:	4 x 1.55 m	3 x 1.60 m
A minimum number of spread obstacles (excl. triple bar) with a height/spread of at least:	3 x 1.50/1.60 m	GP/WC: 3 x 1.53/1.60 m NC: 2 x 1.50/1.70 m
One oxer in the triple combination needs to have a minimum height/spread of:	1.50/1.60 m	1.52/1.60 m
Triple bar with minimum height/spread of:	1.50/1.90 m	1.55/1.90 m

For Nations Cup Competitions at CSIO4* Events, the above requirements relating to the compulsory four verticals of 1.55 m and three spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.55 m and two spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m.

For Nations Cup Competitions at CSIO5* Events, the above requirements relating to the compulsory three verticals of 1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.60 m.

The Course Designer must clearly identify on the course plan of the Competition the specific obstacles that must be included as per the mandatory requirements below, e.g. planks, wall, gate, narrow obstacle, etc.

The Foreign Judge is responsible for ensuring that the course is built to the required dimensions and must confirm to the FEI through the Foreign Judge Report whether or not the course requirements have been met

Those riders not already qualified through the FEI rules must qualify throughout the week. The Top 5 riders from competitions 425 (Thursday's 1.50m) and 429 (Thursday's 1.55m) will qualify. The remaining placings will be determined based on points from those competitions. Riders will receive points for their top placing in each competition only. Points will be assigned as follows: 1st – 50 pts, 2nd – 48 pts, 3rd – 47 pts, 4th – 46 pts, and so on to 50th place. Riders can only qualify if they complete the first round of the competitions (eliminations, retirements or disqualifications do not qualify).

All athletes, including those automatically qualified must complete, with their Grand Prix horse, the initial round of at least one FEI competition among those listed in JRs Art. 261.4.4 prior to the Grand Prix.

The following Athletes are automatically qualified for the Grand Prix at CSI Events, if present:

4.2.1. The winner (Athlete/Horse combinations) of that Event's Grand Prix the previous year for CSI3*/CSI4*/CSI5* only;

4.2.2. The current National Jumping Champion (Athlete/Horse combinations) of the host country;

4.2.3. The individual Jumping medal winners of the last Olympic and Pan-American Games, the last World and Continental Championships and the winner of the last FEI World Cup™ Jumping Final.

FEI Olympic Regulations Art. 632.6

Selected Nations Cup, Grand Prix and FEI Jumping World Cup™ Competitions must meet the following specifications:

The Composition of the course includes:

- Minimum 12 and maximum 14 obstacles;
- Minimum one triple and one double combination (three doubles are not allowed);
- The triple combination must have at least one oxer and at least one one-stride distance either from A to B or from B to C;
- Two liverpool obstacles, one vertical and one spread. If the course includes a water jump, a minimum of one liverpool will be allowed;
- Approximately 50% of the efforts must be vertical obstacles and 50% must be spread obstacles (e.g. oxer, triple bar, Swedish oxer, narrow oxer etc.). Nevertheless, no more than 55% of the efforts may be vertical and no more than 60% of the efforts may be spread obstacles, including the water jump if there is one (NB: a water jump is compulsory in Nations Cup Competitions, refer to JRs Art. 264.3);
- Depth of cups for the top pole: minimum 50% of cups must have a depth of 18 mm, for special obstacle material cups may be shallower (refer to JRs Art. 208.6); depth of cups maximum 20 mm;
- A minimum course length of 400 meters with a minimum speed of 375m/min.

At least three of the following five obstacles must be included in the course:

- A set of planks on flat cups or a vertical of poles with a plank on flat cups as the top element;
- One triple bar;
- One wall;
- One narrow vertical or spread obstacle with frontal width between 2.50 to 3.00 m;
- One gate.

At least three of the following recommended criteria must be included in the course:

- Bend or straight line of up to six strides between two single obstacles;
- One line between two obstacles should be a forward line up to five strides;
- One bend or straight line up to seven strides with minimum three obstacles;
- Double combination in a bend or straight line with an obstacle before or after at maximum seven strides;
- A related distance bend or straight line of up to eight strides leading to the triple combination or up to seven strides following the triple combination;
- One of the combinations must have a related distance (maximum seven strides) with an obstacle (before or after the combination) in a straight line.

Dimensions of the obstacles:

	Comp. at 1.55 m	Comp. at 1.60 m
The minimum height of obstacles is:	1.45 m	1.50 m
A minimum number of verticals with a height of at least:	4 x 1.55 m	3 x 1.60 m
A minimum number of spread obstacles (excl. triple bar) with a height/spread of at least:	3 x 1.50/1.60 m	GP/WC: 3 x 1.53/1.60 m NC: 2 x 1.50/1.70 m
One oxer in the triple combination needs to have a minimum height/spread of:	1.50/1.60 m	1.52/1.60 m
Triple bar with minimum height/spread of:	1.50/1.90 m	1.55/1.90 m

For Nations Cup Competitions at CSIO4* Events, the above requirements relating to the compulsory four verticals of 1.55 m and three spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.55 m and two spread obstacles (excl. triple bar) with a minimum height/spread of 1.50/1.60 m.

For Nations Cup Competitions at CSIO5* Events, the above requirements relating to the compulsory three verticals of 1.60 m take precedence over the requirement established in JRs. Art. 264.3.1 to have two verticals of 1.60 m.

The Course Designer must clearly identify on the course plan of the Competition the specific obstacles that must be included as per the mandatory requirements below, e.g. planks, wall, gate, narrow obstacle, etc.

The Foreign Judge is responsible for ensuring that the course is built to the required dimensions and must confirm to the FEI through the Foreign Judge Report whether or not the course requirements have been met and must upload/sent the course plan including all heights/spreads, obstacle information and distances following the Event.

2. HEALTH REQUIREMENTS

GENERAL

In accordance with the FEI Code of Conduct for the Welfare of the Horse it is imperative that all Horses at FEI Events are physically fit and free from infectious disease before being allowed to compete.

ENTRY OF HORSES

Required health tests and vaccinations: EHV vaccination within 6 months but not within 7 days of arrival to the grounds. Equine Influenza vaccination as per FEI regulations. Negative coggins test pulled within 6 months. All negative coggins/vaccines must be valid for the duration of the horse's stay on the grounds. If sending a separate form, the name must match that in the FEI passport. Export bloodwork is not permitted to be drawn on the Spruce Meadows grounds.

Quarantine period: Permanent or returning import quarantine is not available on the Spruce Meadows grounds. Temporary import quarantine MAY be available on a very limited basis and must be requested by April 26. It is not guaranteed. Horses arriving on temporary imports must return directly to their country of origin (not via another country). Horses entering Canada on temporary import permits are NOT PERMITTED to leave the Spruce Meadows grounds unless under VD/VSM/PTV directed veterinary emergency (not routine care) or unless another venue is listed on their import permit. Those who do not comply may not be eligible to return to Spruce Meadows. The OC is not liable for any expenses/fees or other costs in this event.

Specimen Import Licence applied:

Horses on different health papers but part of the same group will not be able to be stabled together. If all members/horses in your group are not attending the same weeks, they will not be stabled together.

Arrivals: The athlete/groom/PR must contact the OC at least 72 hours in advance of estimated arrival to inform the OC of the approximate arrival time and if applicable, border appointment time. Horses wanting to arrive prior to 9am and after 5pm will be charged an "off-hours" arrival fee and may have to unload into a temporary stabling location until a vet is available. Horses may not move into FEI stabling until they have been checked in by the VD/VSM. Limited stabling outside of the FEI stabling area may

be available for early arrivals/late departures. Extra stabling, bedding, and sanitation charges will apply. Please plan your arrivals carefully and keep us informed of any unexpected delays. Horses must have their temperatures entered in the FEI Horse Health App for 3 days prior to arrival. If horses choose to leave between consecutive tournament weeks, they must be fully checked out with accounts paid if there is a balance owing. Returns will need to be scheduled and will be based on veterinarian availability. Priority is given to those horses arriving for the first time. If an appointment is not booked at least 72 hours in advance, and scheduled for an appropriate time/day, it may not be able to be accommodated. Spruce Meadows is not liable for any lost entry fees in this case.

3. NATIONAL REQUIREMENTS

Please see www.inspection.gc.ca for more information on national entry requirements from your point of origin. Any government requirements for disease testing and control must be requested well in advance, to ensure that the horse is in compliance by the time of arrival at the border of the country where the Event is taking place. Athletes, or their representatives, have the responsibility to comply with national legislation in both their country of origin and the host nation of the Event. Where necessary athletes must contact local government authorities or veterinary advisors for information regarding animal health requirements and transport legislation. XIV. ADDITIONAL INFORMATION

1. INSURANCES AND NATIONAL REQUIREMENTS

Equestrian sports involve inherent dangerous risks. To the greatest extent permitted by law, the FEI and the FEI Event Organiser shall NOT be liable for any damages relating to loss of property or injury of any kind to Athletes, Owners, Support Personnel or Horses at or in connection with an FEI Event and the FEI expressly excludes all such liability.

1.1. ATHLETES, OWNERS AND SUPPORT PERSONNEL

1.1.1. Personal Accident and Health Insurance

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2. Personal Property Insurance

You should also ensure that you are insured against property loss, theft or damage which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3. Press Equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. Members of the Press are advised not to leave any equipment or personal items unattended.

1.2. ATHLETES AND OWNERS

1.2.1. Third Party Liability Insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2. Additional Liability Information

Please see attached.

1.2.3. Horse Insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

2. PROTESTS/APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent, as mentioned in the FEI General Regulations (Art. 161-162) available at the following link:

<https://inside.fei.org/content/general-regs-statutes>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.

- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. *[Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.]* If an athlete or his/her groom refuses to remove and re-place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 244.1).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

The Organiser must provide additional created prizes for athletes placed beyond twelfth (12th) place. The minimum amount for each of these additional prizes, for athletes placed from thirteenth (13th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed twelfth (12th)

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

***Annex VI FEI Jumping Rules:**

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the Competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated for the original Competition for each group. The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;

OR

The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. *NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).*

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the FEI World Cup™ Competition. For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
